Diocese Submits Candidate Profiles

6/2/18 Fr. Andrew ordained. He is on his way to Sheridan

A profile is gathered based on Parish feedback. Surveys and verbal communication between the Search Committee and the Parish help the team screen potential candidates and prepare questions asked in interviews.

The Office of Transitional Ministries Profile includes information about St. Peter's and is posted online. It's purpose is to attract more qualified candidates. Can take months to create.

Diocese approves or denies candidate applications. Those accepted may be submitted to search committee for further review.

The Diocese will submit profiles to the Search Committee as they become available. This process may be repeated.

Vestry Interviews

Vestry requests Bishop Permission for Call

Search Committee conducts phone or webinar interviews. Of those interviews a few will be chosen to conduct a communion service in front of the committee and vestry members

The Search Committee Recommends 2-3 Candidates for Vestry Approval or Denial

Vestry interviews recommended candidates and gives approval or denial. If a candidate is approved unanimously his/her name is sent to Bishop for approval.

With Bishops permission, Vestry will issue a call to the chosen candidate.
