Thunderhead Episcopal Center

We invite every faith community across Wyoming and South Dakota to prayerfully consider supporting Thunderhead Episcopal Center!

Dear friends,

As the leaders of congregations—whether lay or ordained—you play a crucial role in the faith formation of the young people given to your care. You instruct people for baptism, you prepare people for confirmation, you preach Christ and him crucified, you teach the faith of the Church, and you help others have meaningful encounters of the living God in your daily work and ministry.

Thunderhead Episcopal Center seeks to assist you in this work by taking your young people and offering them the chance to dive deep into their faith in the context of Christian Community. By stewarding sacred ground—made holy first by the prayers and lives of the Oceti Šakowin and then by generations of campers and counselors, chaplains and friends—and by curating intentional community, we offer a place where people of all ages—from the very young to the very old—can encounter God in the beauty of Creation and the diversity of human relationships.

Thunderhead has been a vital ministry to our Wyoming youth for several years now! Unfortunately, this opportunity was disrupted by the Covid-19 pandemic. Thankfully, in part to the generosity of our diocese, TEC is in a position to continue offering this rich tapestry of connection and encounter for many years to come.

If you are under the age of 18 we encourage you to attend camp this summer! It is a life-changing experience that is so much fun! If you are college-aged, we would love to see you serving as a camp counselor. If you are a parent or grandparent, we strongly encourage you to register your kids for Camp as soon as possible!
